Barney's Ranch is a new dog day care and boarding facility in Carrollton that has really gone above and beyond to provide an exceptional place for you to leave your canine family members. With indoor and outdoor webcams, rubber flooring, orthopedic cots, and midnight walks for dogs in boarding, you can feel confident in knowing that when you have to be away for work or travel, your pets are safe and secure and having a great time at Barney's Ranch.

About Barney's Ranch

Barney's Ranch is located on the northbound service road of I-35 between Belt Line and Whitlock/Sandy Lake. Barney's Ranch was named after the owners' dog Barney, a miniature Schnauzer, who is also featured in the logo. After a long period of renovations, interviewing potential staff, and meeting with various rescue groups and animal advocates in the community, Barney's Ranch officially opened for business on September 10, 2011. All Barney's Ranch employees are experienced pet care professionals who have passed a criminal background check, so you can rest assured that the folks taking care of your dogs are Barney-approved.

The Facility

Barney's Ranch has really gone the extra mile to provide top-notch care for your dogs. The facility has over 10,000 square feet of boarding suites, dog runs, and indoor and outdoor play areas, with plans to expand their outdoor dog runs in the near future. Barney's Ranch offers 24 5'x6' Luxury (open) suites and three 65-square-foot Executive (closed) suites, each furnished with blankets and orthopedic PetCot beds. There are rubber floors throughout the facility to prevent slips and to ease the impact on your dogs joints when they play. Clients can watch their dogs throughout the day on Barney's webcams (access is restricted to current clients only).

Boarding and Day Care

Boarding rates start at \$25/night for the Luxury Suites and \$70/night for the Executive Suites. Day care starts at \$15 for a half-day and \$20 for a full day. Have a multi-dog household? The Executive Suite price is fixed, so if you have two or three doggies that could share the suite, the price is the same. In addition, the day care price is good for up to 2 dogs. Barney's Ranch also offers a complimentary day of day care for anyone who would like to "try before they buy."

Community Outreach

From the beginning, the owners have worked hard to establish relationships with local rescue groups to find a way to give back to the community. For several local rescue groups - including Metroplex Mutts, Recycled Poms, Chihuahua Rescue and Transport, and DFW Cocker Spaniel Rescue - Barney's offers free boarding while the dogs wait to find their

forever homes. Adoptive and foster parents of dogs in these organizations' programs also enjoy a lifetime discount on day care and boarding at Barney's Ranch. Additionally, Barney's Ranch often hosts low-cost vaccination clinics and adoption events at their facility.
